# The year the Panther begins to growl !

It's been five years since Pitt fans have had a winner to cheer on the gridiron, but 1968 should mark the turning point in Dave Hart's rebuilding efforts. A total of 25 lettermen return to go along with a 'Super Soph' crop that many Panther observers are calling the best in Pitt history. The schedule is again tough, but it should all make for exciting Panther football in 1968.

### Why Panthers

The Panther (*felis concolor*) was adopted as the University of Pittsburgh's mascot at a meeting of student and alumni leaders in the early autumn of 1909. Until last football season, Pitt had dressed a student up in a panther suit and used him as the official mascot. Last year, however, the Beaver County Pitt Club purchased a live, baby panther and presented it to the University as the official Pitt mascot. Through a contest conducted by the student newspaper, the Panther was officially named Bagheera I. Purchased through the Pittsburgh Highland Park Zoo, Bagheera I is a native of North Dakota and will be 1½ years old in December. Bagheera is on view at all Pitt home football games, and can also be seen at the Highland Park Zoo.

## Panthers Should Begin Regaining Lost Prestige

It's been five long, frustrating years since Pitt has produced a winner on the gridiron, but 1968 could mark the end of the Panthers' football decline.

In 1963 Pitt roared to a 9-1 record and the number three ranking in the country. Since those glory days, however, the Panthers have purred like little kittens instead of grown beasts in compiling an 8-30-2 record. Now, at long last, the Panther should begin growing again.

"There's no question we're a much, much better football team than the past two years," coach Dave Hart noted following a strong Spring practice. "We had our best Spring in the three years I've been here. We simply have more football players, more size, better speed and more depth. Barring injuries and getting the expected improvement from our young players, we could have a non-losing season."

Hart's new-found optimism, which is in direct contrast to his first two years at Pitt, is still somewhat guarded and cautious, however.

"Yes, I'm optimistic, but I'm optimistic to a point," he quickly adds. "We're a much better football team but we're anticipating that 5-6 of our opponent's are too. So we need to be greatly improved. We're a young team that will count heavily on sophomores, and sophomores make costly mistakes no matter how good they are. We have very few seniors who'll be playing and that could hurt us."

The 1968 season could rightly be termed The-Year-of-The-Sophomore at Pitt. As many as ten sophomores could crack the starting lineup despite the fact that 14 regulars return from last year. Several of the sophs could be classed in the "Super Soph" category.

Linebackers Ralph Cindrich and Lloyd Weston are being touted as two of the finest prospects to enter Pitt in years. Weston is a former first-team high school All-American hailed as the finest schoolboy lineman ever to come out of Pittsburgh (Westinghouse High School). The 6-2, 230-pounder is a vicious tackler who has every

tool for the game. He lacks only experience.

Cindrich, who co-captained the Pennsylvania Big 33 squad two years ago against Texas, had an outstanding Spring. Another vicious hitter, the Pitt coaching staff feels this 6-1, 230-pounder has the potential to be as good as anyone the Panthers play against next Fall.

Pitt has suffered both offensively and defensively the past two seasons, allowing 621 points and scoring only 178. Hart doesn't figure this will happen again, despite the fact that Pitt will be relying rather heavily on inexperienced personnel.

Defensively, Pitt could start as many as six sophomores and five juniors. Up front the Panthers will be big, but not particularly quick. At the end of Spring practice, the front line showed juniors Paul Naponick (6-4, 228) and Bob Ellis (6-2, 215) at end, and sophomores Howard Broadhead (6-4, 251) and John Stevens (6-2, 238) at tackle.

The linebacking corps, which was especially strong during the Spring, had Cindrich, Weston, senior Ed Gallin and junior prowler-back Dave Dibley. Gallin and Dibley are both returning regulars, while Cindrich and Weston are newcomers. Pressing them were sophomores Dave McGrath and John Wozniak, in addition to returning regular Lou Parrott who missed Spring drills due to knee surgery.

In the defensive backfield, coach Bill Lewis has little experience, but still feels the Panthers will be improved because of better athletes. In the three-deep setup, junior Jeff Barr appears to have one slot nailed down but the other two are up for grabs between junior George Pribish and sophomores J. D. Lewis, Bryant Salter and Charley Hall. None of the backs were regulars last season, but coach Lewis is confident Pitt's secondary will be stronger than the past two campaigns.

Offensively, Pitt has eight regulars returning, better backs with more speed plus outstanding receivers. Despite all this, the

offense must still be listed as a question mark. Pitt hasn't controlled a game offensively in two years, and it is in this area that the Panthers need the most improvement.

Quarterback is the key. Last year's third-team freshman quarterback, Dave Havern, was the surprise of Spring practice. Only 5-8, 160-pounds dripping wet, Havern showed exceptional running ability to go along with a more than adequate arm. The sparkplug of the offense during Spring, Havern must beat out junior Frank Gustine who started four games last year. Also battling for a starting job are sophomore Mike Bannan and junior Chuck Winters.

In the backfield, Pitt appears to have excellent potential. The Panthers will have their best speed in years, and Hart is expected to take advantage of this with a strong outside game. Sophomore tailback Dennis Ferris was hailed as one of Pitt's brightest running prospects in years but had to sit out last season because of a summer eye injury. He's healthy now, and will battle returning regular Gary Cramer, last season's leading ground gainer with a 4.0 average. Another speedster, Dave Garnett, sat out spring drills due to a leg injury. Garnett is all potential and appears to possess all the equipment needed to be a top-notch ball carrier—he's 6-3, 208 and has been timed in the hundred in 9.5.

At fullback, junior Jeff Brown (4.5 average last season) returns. The 6-3, 212-pounder is a powerful runner who came on strong at the end of last season. During Spring drills he received stiff competition from sophomores Tony Esposito (6-2, 227) and Phil Sgrignoli (5-11, 205). At wingback returning regular Joe McCain, a junior, was fighting sophomore J. D. Lewis for the starting job. McCain was Pitt's second

pass receiver with 26 receptions last season, and is expected to be at wingback when the Panthers kickoff against UCLA.

In addition to McCain, Pitt will have excellent receivers in split ends Skip Orszulak, a senior, and sophomore Bill Pilconis. Orszulak is a speedster with outstanding potential who has been injury prone his first two years, while Pilconis, (6-6, 205), who also could play at tight end, could be one of Pitt's best receivers in years. At tight end, regular George Medich, 6-5, 220-pound junior, returns but will probably have to fight Pilconis for the starting job.

In the offensive line, Pitt will have both size and experience, but the Panthers will have to prove that they can do the job here. The best bets to start are: seniors Ed Whittaker (6-4, 238) and Art Alois (6-2, 224) at tackle; junior Ed Sadowski (6-0, 217) and senior Greg Ellis (6-2, 232) at guard; and junior Dave Mancuso (6-4, 212) at center. Also battling for starting jobs are juniors Rod Fedorchak (6-7, 235), and George Richards (6-1, 223), and sophomore Bob Seltzer (6-1, 228).

Pitt's traditionally tough schedule has been eased somewhat, but the Panthers will still face many of the nation's best teams. Pitt must go on the road to such powerhouses as Notre Dame, UCLA, Miami of Florida, Syracuse and Navy. At home Pitt hosts Penn State, Army, West Virginia, Air Force and William & Mary.

Overall, while Hart and his players are secretly harboring thoughts of being 1968's Indiana, Pitt is still one year away from bowl contention. The Panthers will be an exciting team, though, that should be in every ball game. The win-a-year pattern of the past two seasons should come to an abrupt halt. It should be the start of Pitt's return to football prestige.

Joe McCain puts Pitt in front of Syracuse, 7-0, in 3rd quarter at Pitt Stadium last year. The Orange won the game in the fourth quarter, 14-7, on a long punt return.

## DAVID RICHARD HART

### Head Football Coach

Dave Hart was named head football coach at Pitt on Dec. 6, 1965, and since that time there probably isn't a man in the country who has spent more time in other peoples' homes and less in his own than Hart.

"Recruiting is the most important part of this rebuilding job," Hart said when hired, "and you can't recruit sitting in your office or home. You've got to visit the boys and parents in their homes."

So visiting Hart went, day and night. The talent rich high school lands of Pennsylvania were his main target, and he preached a lesson of "let's keep Pennsylvania high school ball players home." The area's high school stars apparently liked what they heard, and in two years Hart and his energetic young staff lured 67 young athletes to Pitt. That's the highest number ever recruited to Pitt in two years, and is in direct contrast to the total of 16 recruited the year before Hart was hired.

Dynamic, enthusiastic and full of seemingly boundless energy, it has been said of Hart that he leaves you with "an almost physical feeling that your shoulder has been gripped and your back patted." Despite the fact that his first two clubs at Pitt have compiled a 2-18 record, he has gained the reputation as one of the finest recruiters in major college football. And, the recruiting should begin paying off this Fall with wins.

A native of Connellsville, Pa., Hart was named as Pitt's 25th head football coach. He came to Pitt from the United States Naval Academy where for two seasons he served as defensive backfield coach. Prior to joining the Navy staff, Hart was head defensive coach at the University of Kentucky from 1962-63.

Before that he spent 11 years as a head coach in Pennsylvania high schools—three years at Hurst High School in Mt. Pleasant and eight years at Johnstown High School. His Hurst High teams compiled a 23-6 record and his Johnstown teams had a 63-12-3 log.

At Johnstown his 1958 team won the Class "A" championship with an 11-0 mark and at one time they attained a record 27 straight unbeaten games.

A graduate of St. Vincent College, Latrobe, Pa., in 1951, he received his Masters Degree in Education from the University of Pittsburgh in 1959. At St. Vincent he was a three-year letterman at halfback, captaining an unbeaten team his senior year to a win in the Tangerine Bowl.

Prior to graduating from St. Vincent, Hart spent 28 months in the United States Air Force where he participated in 30 missions over Europe in World War II. He was honored with the Distinguished Flying Cross and Air Medal with Oak Leaf Clusters.

Married to his high school sweetheart, the former Patti Furtney, also of Connellsville, the couple has four children—David 19, Dick 17, Danny 10, and a daughter, Candy 7. The Harts reside in Mt. Lebanon.

## **FRANK CIGNETTI**

### ***Offensive Backs***

Frank Cignetti joined the Pitt staff in January of 1966 following a highly successful high school coaching career.

Following his graduation from Indiana State University, Cignetti served as an assistant coach at Leechburg High School (Pa.) for two years. In 1962 he was named head coach at Leechburg and in four years his clubs rolled to a record of 32 wins and 9 losses. He culminated his high school coaching career by winning the Class A WPIAL title in 1965 with a 10-0 mark.

Raised in Apollo, Pa., Cignetti played his high school football at Washington Twp. as both an offensive and defensive end. At Indiana State he played four years at end and was named to the All-State squad in both 1958 and 1959. He was named to the Little All-American team in 1959.

Cignetti received both his B.S. and Masters degree from Indiana State.

Married to the former Marlene Kocon, the couple has three children—Curtis, 7; Lisa, 4; and Frank, 3. The Cignettis live in Leechburg.

## **THOMAS 'RED' GARVEY**

### ***Offensive Receivers***

The newest member of the Panther staff, Red Garvey was hired this August after helping on a part-time basis the past two years. He will coach Pitt's wide receivers and wingbacks.

A former North Catholic High (Pittsburgh) football and basketball star, Garvey attended Indiana State Teachers College, lettering in football and basketball. He then served in the U.S. Army at Los Alamos, New Mexico, again starring in football, basketball and baseball for his Army team. Following his Army tour, he earned his bachelors degree in Education from Duquesne University in 1958. In 1961 he also received his Masters degree in Education from the University of Pittsburgh.

Garvey began his coaching career at St. Bernard's Grade School where his teams were undefeated and champions for three years. He then moved to South Hills Catholic High School as offensive and defensive line coach for one year before spending seven years at Norwin High School as offensive and defensive backfield coach.

In Dave Hart's first season at Pitt, Garvey assisted the Panther staff on a part-time basis as an assistant coach with the freshmen. The past two Springs, he spent coaching the varsity squads, one year with the defensive backs and this past Spring with the offensive receivers.

Married to the former Mary Ann Luttig of Dormont, Pa., the Garvey's have three children—William, 3; Kelly Ann, 2; and Laurie, 6 months.

## **BILL LEWIS**

### ***Defensive Backfield***

A native of Bristol, Pa., Bill Lewis was named defensive backfield coach at Pitt in January of 1966. Only 27-years-old, Bill's background and football career have been marked by success and a rapid rise to the top.

A graduate of Delhass High School in Bristol, he lettered three years in baseball and football, winning All-Lower Bucks County honors in both sports his junior and senior years. He then entered East Stroudsburg State College in East Stroudsburg, Pa., where he lettered four years in football. He co-captained the team his senior year in addition to winning All-Conference honors twice. Also a

pitcher-infielder on the baseball team, he signed a professional baseball contract with the Detroit Tigers and spent two years in that organization.

In addition to athletics, Bill was twice class president at East Stroudsburg and was named to the Who's Who in American Colleges and Universities in 1963. He graduated with a B.S. in Health and Physical Education, and has recently received his Masters in the same field.

Lewis began his coaching career at East Stroudsburg in 1963 as quarterback-end coach, a job he held through the 1965 season. While he served at East Stroudsburg, the team won the State College championship in 1964 and '65. He was also head baseball coach in 1965.

Besides coaching the defensive backs, Lewis is responsible for recruiting in Eastern Pennsylvania, and also co-ordinating Pitt's scouting program.

He is married to the former Sandy Schmoyer of Pennsburg, Pa. The couple has one son, Mark, age 1.

## **NED MERVOS**

### ***Freshman Coach***

Ned Mervos was appointed Freshman Coach this past spring following a highly successful and well-respected high school coaching career in the Pittsburgh area.

At Etna High, his first head coaching job, his teams posted a 10-4 record in two years. From there he moved on to West Mifflin North, where he was Line coach of the 1963 WPIAL champions, and then to West Mifflin South as head coach. In 1966 his West Mifflin South team posted a perfect 9-0-0 record.

A native of Pittsburgh, Mervos attended Youngstown University where he was a three year letterman in football.

He received his B.S. from Youngstown and also holds a Masters in Education from Pitt.

Besides his coaching duties, Mervos has also been the Physical Education Supervisor in West Mifflin and is now an assistant principal at West Mifflin North. He will retain these duties while serving at Pitt.

He will be assisted with the freshman team at Pitt by John Rosenberg, a letterman at Harvard and graduate student at Pitt, and by Carl Kokor, a high school teacher in Pittsburgh. Both are in their second year with the freshmen.

Mervos is married and has two children, a boy and a girl. He lives in West Mifflin.

## **BILL NEAL**

### **Assistant Head Coach**

### **Linebackers**

Recently named Assistant Head Coach by Dave Hart, Bill Neal gives the Pitt staff a wide background of football coaching experience.

Born December 28, 1931 in Russell, Ky., Neal's family moved to Washington, D.C. when he was 10 years old. He entered George Washington University in 1950 where he played three years as a regular guard and tackle. He received both his B.S. and M.A. from George Washington, where he was a member of the TKE Social Fraternity and the Phi Delta Kappa National Honorary Education Fraternity.

From 1954 to 1961, Neal served as freshman football coach and assistant Athletic Director under coaches Eugene Sherman and Bill Elias at George Washington. When Elias was named head coach at Virginia in 1961, Neal moved with him, serving as top assistant and defensive line coach for four years. In 1965 he moved with Elias to Navy as defensive line coach.

While at Navy he worked with Dave Hart, and when Hart was named head coach at Pitt he persuaded Neal to join him as defensive line coach. This year he was elevated to the position of assistant head coach with a number of administrative duties in addition to working with the linebacking corps.

Married to the former Judith Humphrey, the couple has three children—Janet, 13; Steve, 12; and Billy, 6. The Neals live in Monroeville.

## **STEVE PETRO**

### **Defensive Tackles**

### **Academic Coordinator**

A familiar face on the football scene at Pitt for the last sixteen years, Steve Petro is the experienced veteran on the Panther staff.

Coming to Pitt from Johnstown High School (Pa.), Petro played three years at guard from 1936 to 1938. His first starting assignment was the 1937 Rose Bowl when Pitt dumped Washington, 21-0. In his three years at Pitt, the Panthers compiled a 23-3-2 record against the best competition in the country.

Following graduation from Pitt, he played two years of professional football for Brooklyn, while working for Bethlehem Steel Corporation. He entered the service in 1942, serving first with the Air Force, and then in intelligence. During his years in the service, he also took time out to play football.

Upon his return to civilian life, Petro went back to the Steel industry, and served as line coach in the Pennsylvania Professional League in the evenings. A volunteer helper during Pitt's 1950 spring drills, he was named junior varsity coach that fall. In 1951 he moved to the varsity as assistant line coach, and from 1954-57 he was Pitt's freshman coach. He was moved back to the varsity staff in 1958 and then in 1965 returned to the position of freshman coach.

Besides working with the defensive tackles, Petro also serves as the Panthers' academic coordinator.

Married to the former Winifred Wilson, the couple has five children—Linda, 20; Beth, 17; Lorraine, 13; Pamela, 9; and Steve, 8. The Petros live in Baldwin Borough.

## **DAN SEKANOVICH**

### **Head Defensive Coach**

Added to the staff only this past Spring, Dan Sekanovich brings with him a long winning tradition in football, both as a player and a coach.

A native of West Hazelton, Pa., he attended West Hazelton High where he starred in both football and basketball, winning All-Regional honors in both sports. In addition, he was named All-State in football at end. Sekanovich then moved on to the University of Tennessee where he starred for famed coach General Bob Neyland. He was a member of Tennessee's Mythical National Champions of 1952, a team that was undefeated and untied. He played

in both the Sugar and Cotton Bowls during his college career.

After two years of Canadian football and two years as a player-coach in the Army, Sekanovich turned to full-time coaching, with as much success as his earlier playing days. As head coach of Southington High (Conn.) he led his teams to a 14-4 three-year record. From there he moved on to college coaching as top assistant to Jim Garrett at Susquehanna University for three years, during which time Susquehanna went 25-1-1. He then became defensive coach at the University of Connecticut, from where Dave Hart convinced him to join the Panther staff this Spring.

Besides holding a B.S. in Education from Tennessee, Sekanovich has a Masters in Speech Therapy from Penn State. He is married to the former Dolores Shilinga and the couple has one son, Daniel, Jr., age 19 months.

## **BOB TIMMONS**

### **Receivers**

After 15 years as Pitt's basketball coach, Bob Timmons has changed hats and returned to football as an assistant to Dave Hart.

A native of Pittsburgh, Timmons entered Pitt in 1930 after starring in football for Allegheny High on the North Side. He played end for the Panthers, and was a starter on the 1933 team that won 8 games and lost only 1. From Pitt, Timmons moved on to Smithfield High (Ohio) and then to New Brighton High (Pa.) where he was head football coach until 1939. That year he was named head basketball coach at Indiana State, a position that he held until entering the Navy as lieutenant in World War II.

In 1947 he was named end coach at Pitt, and held that position until 1961. During that period he coached many Panther greats including Joe Walton, Bill McPeak, and Mike Ditka. Named head basketball coach in 1953, Timmons led his teams to four post-season tournaments before his retirement from the job this past March.

He and his wife, Dorthy, have two children—Bob, who is a major in the Army, and Patricia, who is a Pitt graduate.

## HOWARD WEYERS

### Head Offensive Coach

Howard Weyers joined the Pitt staff in February, 1967, after a highly successful coaching career in high school and college.

Weyers, 33, was a three-sport letterman at Greenville High School (Pa.) in football, basketball and baseball. He attended Thiel College, Greenville, where he was a four-year letterman on the football squad, and also a letter-winner on the basketball and baseball teams. He received his B.S. in Education from Thiel, and then gained 27 hours of credit towards a Masters in school administration at Rutgers University.

He began his coaching career as line coach at Elwood City High School (Pa.) from 1956-58. He then moved to head coaching jobs at East Palestine High (Ohio) from 1958-61 and Maple Heights High in Cleveland from 1961-64. At East Palestine he recorded a 27-2-1 mark, and at Maple Heights his clubs had an 18-12 record for a combined mark of 45-14-1.

Weyers moved to the college coaching ranks in 1964 when he was named as an assistant coach at Rutgers. After two years he moved to Columbia as an assistant. During the 1966 season, Weyers served as head offensive coach at Columbia and under his guidance the Lions moved from last place in total offense in the Ivy League all the way to second.

Married to the former Kathleen Beattie of New Kensington, Pa., the couple has two children—Teah, 11; and Howard, 9. The Weyers live in Mount Lebanon.

**Red Donley**

## 'Voice of the Panthers'

A veteran three-man team will combine their talents to beam the exploits of the Pitt Panthers over one of the largest independent college football networks in the East. The three broadcasters, Charles "Red" Donley of WIIC-TV, Joe Tucker of WWSW Radio, and Jack Henry, veteran sports commentator, are three of the most popular and most respected sports personalities in the Tri-State area.

Donley, who is Sports Director of WIIC-TV in Pittsburgh, will be embarking on his seventh season as a play-by-play man and "Voice of the Panthers." A native of Wellsburg, W.Va., he has been associated with sports broadcasting in the area for over 20 years. Following service in the U.S. Marine Corps during WW II, Donley joined WSTV in Steubenville, Ohio, broadcasting football, basketball and baseball. He joined WIIC-TV in 1961, and since then has become one of Pittsburgh's top broadcasters, winning numerous awards.

Tucker, who joins the Pitt network for the first time this season, is probably "Mr. Sportscaster" of Pittsburgh. A transplanted Canadian, Tucker began his career in Pittsburgh by broadcasting Pittsburgh Steeler football 32 years ago. Since then he has done both radio and TV pro football work, hockey broadcasting and basketball play-by-play. Sports Director of WWSW, the parent station for the Pitt network, Tucker has three daily sports programs plus various feature spots. Known as "Joltin' Joe" or "The Screamer," Tucker promises to be a great addition to the Panther crew.

Henry, who will handle the halftime show plus color commentary, has been an observer of Pitt football since the late 1920's. He has been a member of the broadcasting crew for the past nine years. Henry served 14 years with the Sun-Telegraph on the sports desk, and also was sports editor at papers in Beaver Falls, Aliquippa and Steubenville. In broadcasting, he served five years as news director of KQV in Pittsburgh, and also had a nightly sports show.

# Spring Game

Under a steady downpour of rain, the defense (whites) dominated the offense (Blues), 32-13. Showing a strong and quick hitting line, the defense held the offense on downs on 14 occasions in addition to intercepting four passes and recovering two fumbles. After the game, coach Dave Hart called the pass rush the best he has seen since he has been at Pitt. The defensive rush was led by tackles John Stevens and Howard Broadhead and by the ends Paul Naponick and Bob Ellis. Offensively, the muddy field and the presence of various scouts curtailed all of the game plans. Quarterback Dave Havern completed 9-15 passes for 97 yards, including a 13-yard TD pass to wingback J. D. Lewis. Mike Bannan, who also completed 9-15 passes for 56 yards, scored the other TD on a one-yard sneak. Tailback Dennis Ferris was the leading rusher with 37 yards in 10 carries. Fullback Jeff Brown was next with 36 yards in 10 carries.

**Warren Allen**

**Art Alois**

**Jeff Barr**

**WARREN ALLEN\* (62)      Off. Guard      Jr., 6-1, 190      Homestead, Pa.**

A quick, hard-hitting blocker, Warren won a starting job for about half of last season's games despite his lack of size . . . . Offensive line coach Howard Weyers has stressed quickness to his linemen and Warren fits this bill perfectly . . . . His experience last season could be a big factor in helping him win a starting job this year . . . . If he isn't a starter, he'll be a topflight back-up performer . . . . At Homestead High he was a two-year letterwinner in football and one in basketball . . . . engineering.

**ART ALOIS\*\* (73)      Off. Tackle      Sr., 6-2, 224      Pottsville, Pa.**

A regular last year at offensive guard, Alois is expected to be one of Pitt's strengths in the forward wall . . . . A two-year starter, Art was a regular as a sophomore at defensive end . . . . Has good quickness and overall speed, and will probably report to Fall camp at about 230 . . . . Pitt will gear a good deal of its power running attack over Alois' blocking . . . . At Pottsville High, Art was an outstanding athlete, winning three letters in football, three in wrestling and two in track. He was named to the All-American, All-State and Pennsylvania Big 33 teams . . . . pre-dentistry.

**MIKE BANNAN (18)      Quarterback      So., 6-1, 176      West Chester, Pa.**

Listed as the fourth-team quarterback before Spring drills began, Mike worked his way up to the second-team slot by the end of the drills . . . . Possessed of a strong arm, the Pitt coaches feel he has good potential. He needs to develop more consistency, however, in his throwing . . . . As a freshman, he completed 19 of 54 for 195 yards and 2 TDs . . . . An all-around athlete at West Chester High, Mike won three letters each in football, baseball and basketball . . . . was named All Ches-Mont League two years, All Skukyll Valley, second-team All Scholastic and honorable mention All State . . . . liberal arts.

**JEFF BARR\* (11)      Def. Halfback      Jr., 6-2, 194      Canton, Ohio**

A sometimes starter at quarterback last season, Jeff was switched to defensive halfback this Spring and responded by winning a starting job . . . . Defensive coach Bill Lewis feels Jeff has the ability to be one of Pitt's top defensive backs in the past couple of years . . . . Jeff has good speed and likes to put the helmet where it hurts when it comes to hitting . . . . A good offensive runner, Barr will also be used to return kickoffs. Last year in the Penn State game he returned one kickoff 35 yards and was downed by the last Nittany Lion defender . . . . an all-city and all-county choice in football at Lehman High . . . . won two letters in football, four in baseball and one in basketball . . . . was named the school's most valuable athlete . . . . mathematics.

**Brad Bekampis**

**Howard Broadhead**

**Jeff Brown**

**BILL BEINECKE (77) Off. Tackle So., 6-3, 240 Youngstown, Ohio**

Slated for backup duties this season, Bill has fine potential and needs only experience . . . . . Has excellent size but coaches would like him to work on his quickness . . . . . At Austintown Fitch High in Youngstown, Bill won two letters in football and three in baseball . . . . . pre-dentistry.

**BRAD BEKAMPIS (63) Off. Guard So., 6-1, 232 Cherry Hill, N.J.**

A strong blocker, Brad won a starting job during Spring drills. He'll have to fight off a strong challenge from returning veterans in Fall camp, to nail down his spot . . . . . Needs game experience and lacks overall quickness . . . . . At Cherry Hills High he won three letters in football and five in baseball . . . . . was All-Prep and All-Suburban in football . . . . . Considered a major league prospect in baseball, Bill won All-State and All-Prep honors in high school . . . . . prepped at Borden-town Military Academy for one year after high school . . . . . liberal arts.

**HOWARD BROADHEAD (74) Def. Tackle So., 6-4, 251 Middletown, N.Y.**

One of the strongest players on the team, Howard showed rapid improvement during Spring drills and will challenge for a starting defensive tackle slot . . . . . Probably the best head-on, one-on-one man in the defensive front four, he still needs work on lateral movement . . . . . still growing, he could reach 260 before the season begins . . . . . Won three letters in football and four in wrestling at Middletown High . . . . . was named Prep All-American honorable mention and All-Duso tackle for three years . . . . . also was his section heavyweight wrestling champion for two years . . . . . liberal arts.

**JEFF BROWN\* (47) Fullback Jr., 6-3, 212 Monroeville, Pa.**

Switched to fullback around mid-season last year, Brown responded by winning the starting job . . . . . Has tremendous power at fullback and coaches feel he could be one of best fullbacks in East this season . . . . . Still runs too high but has excellent leg action and he uses his size well to bull for the extra yardage . . . . . Had good game against Penn State when he rushed for 85 yards . . . . . Started last year as a regular linebacker because of Pitt's lack of depth there . . . . . Likes the full-back position, however, and Pitt coaches are looking for him to have a big year . . . . . Is a good blocker and has acceptable speed for a fullback . . . . . An outstanding high school runner, he was All-WPIAL and All-Kiski Valley at Plum Boro High . . . . . won nine letters in high school, three in football, three in track, two in basketball and one in volleyball . . . . . liberal arts.

**Ralph Cindrich**

**Gary Cramer**

**Dave Dibbley**

**RALPH CINDRICH (50) Linebacker So., 6-1, 232 Avella, Pa.**

Considered one of the top prospects to enter Pitt in recent years . . . . . An outstanding tackler and hitter, Ralph teams with sophomore Lloyd Weston to make probably the best sophomore linebacking duo in the country . . . . . Playing at the middle linebacking spot in the Pennsylvania Big 33 vs. Texas All-Star game, Ralph accounted for nearly 40 per cent of the Pennsylvania tackles . . . . . Texas coach Bobby Layne called him the best football player on the field . . . . . A fierce competitor, Cindrich is expected to be one of Pitt's top players despite his lack of experience . . . . . If he progresses as expected, he could challenge for an All-East spot as a sophomore . . . . . An outstanding heavyweight wrestler, also, Ralph was 15-1 for the Pitt Frosh last season, winning three post-season tournament titles . . . . . At Avella High, he won four letters in football and three in wrestling . . . . . was All-WPIAL two years, All-State, and Pa. Big 33 in football . . . . . was named the Most Valuable Player in Class B of the WPIAL . . . . . In wrestling, Ralph was section and WPIAL champion his junior and senior years, losing only in the State finals . . . . . his hobby is antique gun collecting . . . . . liberal arts.

**GARY CRAMER\* (26) Tailback Jr., 5-10, 187 Belle Vernon, Pa.**

Pitt's best back last season, Cramer is again expected to carry a good deal of Pitt's running attack . . . . . Will have to fight off strong challenges from sophomores Dennis Ferris and David Garnett to hold his starting job . . . . . The best blocker among the backs, Cramer is also the most durable which has earned him the nickname of "Old Dependable Gary" . . . . . Had his best game against Navy last year when he gained 139 yards in 13 carries, including a 53-yard TD romp. His 139 yards marked him as the only Pitt back in two years to go over 100 yards rushing in one game . . . . . Doesn't have good speed but seems to get the most from his ability . . . . . A year of seasoning under rough conditions last year, could make it tough for the newcomers to dislodge him . . . . . At Belle Vernon High he won three letters in football, three in basketball and four in baseball . . . . . liberal arts.

Year	Att.	Yds.	Net Yds.	Avg.	TDs
1967	78	325	312	4.0	1

**DAVE DIBBLEY\* (36) Def. Halfback Jr., 6-0, 191 New Castle, Pa.**

The 'Iron Man' of the football team last year, Dibbley recorded more time playing than any other Panther . . . . . In addition, the hard-hitting defensive halfback also led the team in individual tackles . . . . . A particularly hard-nosed type player, Dibbley was named honorable mention All-East last season as a sophomore . . . . . The coaches feel he is definite All-East material this year . . . . . At Shenango Area he won the Athlete-Scholar Award and was named All-WPIAL . . . . . Won three letters in football, three in basketball and three in track . . . . . plans to be a commercial pilot so one of his hobbies, naturally, is flying . . . . . studying engineering at Pitt.

**BOB ELLIS\* (86) Def. End Jr., 6-2, 215 Altoona, Pa.**

Despite two bad knees, Bob was a starter last season and one of the top defensive players . . . . . Has good speed and has gained the experience necessary to make him a fine defensive end . . . . . If he holds up physically, he should be able to man one of Pitt's flanks quite well . . . . . At Altoona High he won three letters in football and one in basketball . . . liberal arts.

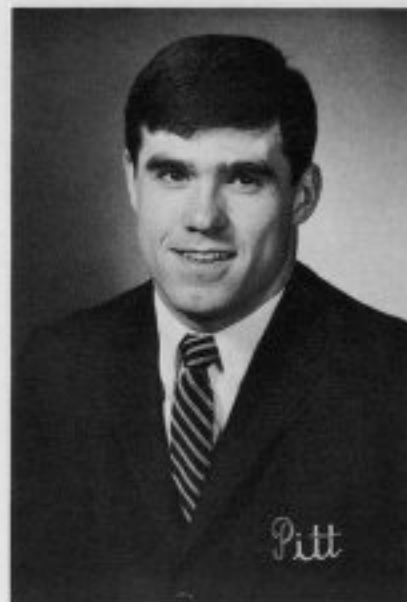

**Greg Ellis**

**Rod Fedorchak**

**Dennis Ferris**

**GREG ELLIS\*\* (71)      Off. Guard      Sr., 6-2, 232      Aldan, Pa.**

Has the potential to be one of the finest offensive linemen in the East . . . . . Although he was a starter most of last season, he was hampered by injuries which hurt his progress . . . . . Has excellent speed, quickness and strength . . . . . Needs to develop more consistency. Had several outstanding games last season but also had several poor ones . . . . . Played his best games against the strongest competition . . . . . Also a two-year letter winner on the Pitt track team, Ellis holds the Panther indoor shot put mark with a heave of 52-7 . . . . . At Landsdowne-Aldan High he was All-County, All-Philadelphia Scholastic and honorable mention All-State . . . . . In track he was the State shot put champion . . . . . won three letters in both football and track . . . . . physical education.

**TONY ESPOSITO (45)      Fullback      So., 6-2, 227      McKees Rocks, Pa.**

An outstanding fullback prospect who has excellent size and an explosive start . . . . . Had several top games as a freshman last year and averaged 3.5 yards per carry while scoring 3 TDs . . . . . Needs a lot of work on his blocking . . . . . Is a bullish type runner who relies on his size and quick start . . . . . Can go outside as well as inside . . . . . Will battle Jeff Brown and Phil Sgrignoli for starting job . . . . . At Stowe High he won three letters each in football, basketball and baseball . . . . . Named All-WPIAL at Stowe and All-League at Greenbrier Military Academy where he prepped for one year . . . . . liberal arts.

**Game Notes:** This is the first meeting ever between the two schools . . . Pitt Chancellor Wesley Posvar was a professor at the Academy when tapped for the Pitt job . . . Falcons possess dangerous offense, headed by experienced quarterback Steve Turner . . . Air Force Academy is only 13 years old, and Ben Martin has been head coach ever since they fielded a football team . . . Panthers hold edges over both of their other service rivals and hope to add Falcons to that list . . . Although teams have never met before, this rivalry is a natural one, and both schools are working on continuing it through future scheduling . . . Pitt is the only school in the country to meet all three of the service academies this year.

Most of that unit is back again . . . The Hurricanes' twin backs, John Acuff and Vince Opalsky, set a school record last year for most yardage gained by two runners . . . They combined for 152 yards and three TDs against the Panthers . . . Miami visits Pitt in 1970.

# Seventy-Eight Years of Panthers

Pitt football began when the University was known as the Western University of Pennsylvania in 1890, but the Panthers did not begin their march into the front line powers for another decade.

In 1904 the Western University of Pennsylvania eleven, had its first winning streak. Sparking this team was Joe Thompson, World War I fame.

He took over as coach after his graduation, and in 1910 turned out an undefeated, untied, and unscored on eleven.

In 1914 under Joe Duff, brother of the former U.S. Senator, the Panthers prepared for the event of Pop Warner, by losing only one game.

Not until mid-1919 did the Blue and Gold bow in intercollegiate competition. Thirty-two consecutive victories were recorded.

The 1916 Pitt team turned up with an innovation, for which millions of football fans have since given thanks. In addition to being undefeated, the Panthers, under Warner, were the first to wear numbers.

During this period the first All-American appeared. Bob Peck in 1915 and 1916, and rated as one of the great All-Time All-Americans at center, Tom Davies, at halfback and Leonard Hilty at tackle in 1918 were some of the stars of the era.

Famous then, and more famous later, players were a big Scotch guard by the name of Jock Sutherland; the 1917 captain and end, now Dr. H. C. Carlson, for 31 years head coach of basketball at his alma mater; and Tiny Thornhill, who went on to coach Stanford's Rose Bowl teams.

Perfect seasons were out after 1919, but they still were winning years. Herb Stein, a center, joined

the list of All-Americans, and Harvey Harmon played a lot of tackle.

In 1924, Jock Sutherland began a 15 year regime, which started slowly but ended with the Panthers ensconced among the mighty.

Only 20 games were lost during this period, and another 11 were tied. Eastern titles came in 1925, 1927, 1929, 1931, 1932, 1934 and 1937. Four times the Panthers showed in the Rose Bowl, winning the final game in 1937 against Washington.

All-Americans during the period were Ralph Chase in 1925 at tackle, Gibby Welch at halfback in 1927, Mike Getto at tackle in 1928, Ray Montgomery at guard and Joe Donchess at end in 1929, Jess Quatse at tackle in 1931, Warren Heller at halfback in 1932, Joe Skladany at end in 1933, Doc Hartwig at guard and George Shotwell at center in 1934, Averell Daniell at tackle in 1936, Marshall Goldberg at halfback and Tony Matisi at tackle in 1937, and Goldberg and Bill Daddio at end in 1938.

On the All-America rolls since Sutherland were Ralph Fife in 1941, Bernie Barkouskie, in 1949, and Joe Schmidt, in 1952, all guards; Eldred Kraemer, a tackle in 1952, Joe Walton, a unanimous choice at end in 1956, guard John Guzik in 1958 and end Mike Ditka in 1960.

Sutherland left in 1938 and the Pitt power fell off for the next ten years. Charley Bowser was succeeded by Clark Shaughnessy who held sway during World War II. Wes Fesler brightened the picture in 1946, and was followed by Mike Milligan who turned in the first winning teams of a decade in both 1948 and 1949.

When Milligan resigned in 1950,

Len Casanova came in to take over for that year, but left the following summer. In 1951 Athletic Director Tom Hamilton took over as head coach, and then in January of 1952 Lowell Dawson was named.

Dawson won six including Notre Dame, Army, Ohio, Indiana and Iowa among the victims, and lost three.

In 1954 ill health caused him to give up football coaching in mid-season, and Tom Hamilton took over as head coach and put the team on a winning basis.

After the season he stepped down to turn the team over to Johnny Michelosen.

A 7-3 record, featuring decisive upset wins over Duke at Durham and over West Virginia before a capacity crowd in Pittsburgh, brought a Sugar Bowl invitation, and a close defeat by Georgia Tech

at New Orleans that didn't hurt the Panther's national ranking.

The Panthers went to the Gator Bowl in 1956, after a 7-2-1 season, and again lost to Georgia Tech 21-14.

In 1957, Pitt was 4-6, in 1958, 5-4-1, in 1959 finished with a 6-4 record and had a 4-3-3 record in 1960.

In 1961, Pitt was 3-7, the most disastrous record since 1951. In 1962, the record was 5-5.

In 1963, Pitt finished with a 9-1 mark and was ranked third in the country.

After losing seasons in 1964, 3-5-2, and 1965, 3-7, Michelosen was succeeded by Dave Hart.

Faced by a monstrous schedule and lacking player talent, Hart's first two teams completed a 2-18 mark.

## Pitt Hall of Fame Awardees

Thus far the University of Pittsburgh has had four players and one coach elected to the National Hall of Fame. Jock Sutherland, a great guard from 1914 through 1917, and Pitt's brilliantly successful coach from 1924 through 1938, was elected in 1953 being among the first coaches named.

In 1954 Bob Peck, Pitt's first All-America (center in 1915 and 1916), was elected as the first Pitt player to have his name placed on the honor roll.

In 1958, Marshall Goldberg, an All-America halfback in 1937 and an All-America fullback in 1938, was elected.

In 1965, George McLaren, an All-America fullback in 1917 and 1918, was elected.

In 1967, Herb Stein, an All-America center in 1921, was elected.

### Jock Sutherland

Dr. John Bain (Jock) Sutherland was a great player and coach at Pitt.

Entering Pitt within a few years after he left his native Scotland he was a regular guard on the great Pitt teams of 1914-1917, teams that lost but one game during the entire period.

Upon graduation, with a dental degree in 1918, he went into the service, coached the Camp Greenleaf Team with the AEF,

then came back to the coaching job at Lafayette. Four years later, in 1924, he replaced Pop Warner at Pitt, and after getting the foundation laid, put the Panthers back into the first line again.

There were national titles in 1927, 1929, and 1937; eastern honors in 1925, 1927, 1929, 1931, 1932, 1934, 1936, and 1937. Rose Bowl appearances in 1928, 1930 and 1933, climaxed with a win in 1937. All-Americans were turned out with regularity during this period.

Leaving Pitt in 1939, he coached Brooklyn in 1940 and 1941, then went into the Navy. Upon his return he took over the Pittsburgh Steelers, giving them their greatest days, until his very sudden death in the spring of 1948.

## Bob Peck

Bob Peck was Pitt's initial first team All-America, being selected by Walter Camp in 1915 and 1916. In both of these years Pitt was undefeated, and in his sophomore year, 1914, the Panthers lost only one game.

He was captain of the 1916 Pitt team that is rated among the greatest of all time, both at Pitt and in the nation. Playing under Pop Warner, Pitt's coach during his last two years, he was a terrific roving center of the old variety, and an accurate passing center who could lead the speedy Pitt backs on the famous single and double wing attack which Warner was then perfecting.

After his graduation he moved to Culver Military Academy where he was athletic director and head coach until his sudden death in 1934.

## Marshall Goldberg

Marshall Goldberg came to Pitt from Elkins, West Virginia, and for the three years of his varsity career was the most highly publicized and popular back in Pitt history. These three years, coincidental with Jock Sutherland's last three as Pitt's head coach, saw the Panthers win a national title, a Rose Bowl game, and two eastern championships.

In two years as the regular left halfback Goldberg was the leading scorer and leading ground gainer, and then, moving to fullback with the famous Dream Backfield of 1938, he became a terrific blocker and power back, despite his relative lack of weight (185). He was a defensive expert during his three years and starred at this

phase when he went into pro ball.

On campus he was a member of Phi Epsilon Pi, national social fraternity, and ODK, national honorary leadership society.

Upon graduation he played pro ball and was in the insurance business in Chicago, served nearly four years as a line officer in the Navy, and then finished his pro career with the Chicago Cardinals when they won their first title. He is vice president of the Emmerman Machinery Company in Chicago.

## George McLaren

George McLaren, who came to Pitt from Peabody High School, is considered the greatest fullback in the school's history.

He played four years, 1915-1918, and during this period, the Panthers compiled a 29-0 record. McLaren was captain of the 1918 team. McLaren scored 13 touchdowns in 1917, a school record, and also holds the one-season rushing mark by a Pitt fullback with 782 yards. He also holds the longest run from scrimmage, 92 yards in 1917. He was never stopped without making a gain during his intercollegiate career.

McLaren also was a member of the basketball team for two years and a performer on the track squad for two campaigns.

McLaren now resides in Baltimore, Maryland, and is retired.

## Herb Stein

Herb Stein came to Pitt from Warren, Ohio, and for four years was one of the greatest offensive and defensive centers in Panther history.

A member of the great "Pop" Warner teams in 1918-21, he was named as a first-team All-American in 1921. During his four years, Pitt won 21, lost five and tied four. His brother, Russ, was also an All-American tackle at Washington & Jefferson.

Now a highly successful business executive, Stein owns and operates nine corporations. He resides in Cleveland, Ohio.

# This Is The University of Pittsburgh

The University of Pittsburgh has just completed a decade of academic achievement which has gained it a new national prominence among institutions of higher learning, and recently, the Board of Trustees reaffirmed the institution's goal of sustained growth toward excellence, pledging the university's resources to build on past gains.

Those gains, to some degree, are measurable. The full-time faculty has doubled, 94 percent have Ph.D. degrees, teaching loads have been reduced, new and improved teaching resources are in use, and salaries have doubled. Physical plant acquisitions and construction alone have exceeded one hundred million dollars. More than 90 percent of entering freshmen are from the upper two fifths of their graduating classes. Ten new centers have been established and a number of new departments.

The spirit of the university is urban and international. Distinguished visiting professors and lecturers provide a continuous stimulus for faculty and students alike. Programs and projects are designed to enrich the intellectual experience of both faculty and students.

Both in its undergraduate and its graduate programs, the university attempts to establish, for every student, the best foundation both for earning a living and for leading a worthwhile life.

In the coming decade, the university will get bigger, perhaps growing to twice its present enrollment. Organizational structures constantly will be exploded so that the university can adjust to the needs of larger numbers of students without creating a depersonalized atmosphere in which they will feel a lack of individuality.

The university's immediate and long range objective is to offer the highest quality of education possible in a cosmopolitan atmosphere of free inquiry. It has infused its programs and student body with an international perspective, in the belief that a broadly based, world-oriented institution will be of best service to its region.

The University of Pittsburgh was founded in 1787, eleven years after the signing of the Declaration of Independence. It began in a log house as the Pittsburgh Academy, and achieved university status in 1819.

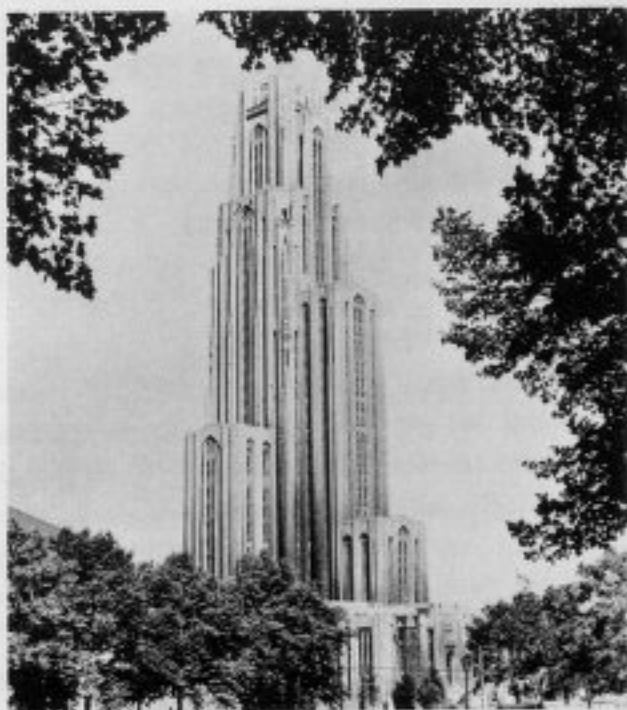

The university is a private, state-related institution which receives support from the Commonwealth of Pennsylvania and income from endowment, gifts and private sources. It is non-denominational.

It is composed of 18 degree granting schools and divisions. These schools are: Liberal Arts, Education, Engineering, Law, Dentistry, Medicine, Nursing, Pharmacy, and General Studies, and the Graduate Schools of Public Health, Public and International Affairs, Business, Social Work, and the new Graduate School of Library and Information Sciences. The divisions are those of the Humanities, Social Sciences, and Natural Sciences.

In order to extend its educational services throughout its natural home region, the university in September 1963 opened three new regional campuses at Bradford, Greensburg, and Titusville. Together with the Johnstown campus, which was opened in 1927, the new campuses are partial cross-sections of the university as a whole. Each provides the first four terms of undergraduate liberal arts and engineering study; post-baccalaureate work at the Master's level both in professional fields and the disciplines and adult education programs.

Located in Pittsburgh's civic and cultural center, the university's main campus comprises some 40 buildings on a 120 acre site just two miles from the city's business center. The campus is adjacent to 500 acres of rolling civic park and nearby are concert halls, museums and theaters, research institutions, book stores, art galleries, clubs and restaurants, churches, playgrounds and an arboretum; other colleges and hospitals.

A one hundred and twenty million dollar building program is projected for the next six years.

## Pitt Stadium—Home of the Panthers

Pitt Stadium, with a seating capacity of 57,331, is generally considered one of the finest football stadiums, spectator-wise, in the East. Every seat in the oval shaped stadium is a good one for viewing football.

Opened in 1925 at a cost of \$2,125,000, the stadium originally seated 67,000. Various seats were later taken out to provide better access to all of the seats. The stadium plant itself encompasses 10 acres with an outer circumference of one-half mile. Besides the football field, facilities include intramural basketball courts, a 440-

yard track and dressing rooms.

The first game was played in 1925 when Washington & Lee defeated Pitt, 28-0. During the next four seasons, the Panthers played 30 of their 34 games in the Stadium. The single-game attendance record was set in 1938 when 68,918 fans jammed every corner of the Stadium to see Pitt top Fordham, 24-13. The one-season attendance record was set in 1956 when 239,718 people watched the Panthers in five games. The average game attendance of 47,944 is also a Stadium record.

# Memo to Press-Radio-TV

This brochure has been prepared for the gentlemen of the working press, radio and television who have so ably covered the Pitt athletic scene in the past years. We are appreciative of their interest and attention, and it is hoped this brochure will assist them in their coverage of the 1968 Pitt football team.

Contents of this booklet and changes in personnel and plans will be supplemented before and during the season by the Sports Information Office. If you desire additional information, services, or material, contact:

## **DEAN BILLYCK**

**University of Pittsburgh**

**P.O. Box 7436**

**Pittsburgh, Pa. 15213**

**Office Telephone: 683-2800 (Code 412)**  
**683-2805 (after 5 p.m.)**

**Home Telephone: 531-7701 (Code 412)**

**PRESS BOX:** Due to lack of space, accommodations in the press box will be furnished only to representatives of Pittsburgh district papers, and from metropolitan papers filing for Sunday editions, press services, Pittsburgh radio and TV sports commentators, and scouts from schools playing either Pitt or its opponent. Requests should be made in advance, indicating whether or not Western Union services will be needed during or after the game. Those coming to the press box should have cabs take them to Gate #23, to avoid climbing hills. This is located behind Pennsylvania Hall of the School of Medicine.

**PRESS COMPLIMENTARIES:** The University extends the privileges of press complimentary tickets to all daily publications in the area. These will be limited to two each paper. Applications must be received by the Monday preceding the game and the seats will be located in the best available section at the time. A check or money order made out to the University of Pittsburgh for \$1.25 per ticket must accompany all requests. The Athletic Department reserves the right to refuse any request for comps. It will be possible to purchase additional seats adjoining press complimentaries by enclosing a check or money order made out to the University of Pittsburgh, and note it on your request. The prices of these tickets are \$5.00 for all games.

**PHOTOGRAPHERS:** Sideline passes will be issued to Pittsburgh papers, news services, daily papers normally covering the opposing team, and student publications of the two schools. Photographers may work in front of the bench, but cutline writers must stay behind the line and obey the instructions of the officer detailed to the area. Space in the photographers stand is reserved for newspapers in the same manner as field passes, and also for newsreel and game movie cameramen. This space must be requested in advance to insure adequate space. Field photographers should enter Gate #3. Photographers covering from the stand should use Gate #9.
